Zombie Pancakes!

Rebooting Flapjack

Lindsay Holmwood

@auxesis

I created

Flapjack

I abandoned

Flapjack

I CREATED A
MONSTER

What happened?

Just me

Small contributions

Poorly maintained

Other projects

Flapjack:

R.I.P. 2010

Zombification

used in

production

fully
Open Source

sponsored

development

1-3 full time

engineers

Talk is cheap!

Show me!

New focus

event

processing

filters

delays

oobefef

emergent
behaviour

no check

execution

solved problem

Nagios & Sensu

Redis *backed*

Benchmarked

Tested

Why would I use Flapjack?

Flapjack as platform

"Give me an API or give me death"

Contacts

Scheduling maintenance

Entity history (SLA reports)

Plentiful

notification

uni + bidirectional

gateways

Unidirectional:

Email

SMS

Bidirectional:

XMPP

PagerDuty

PagerDuty ACKs

pass through

Multitenant

from the ground up

"Give me an API or give me death"

flapjack-diner

client library
to consume API

"pushing complexity to the edges"

authorization

is complexity

works great

standalone
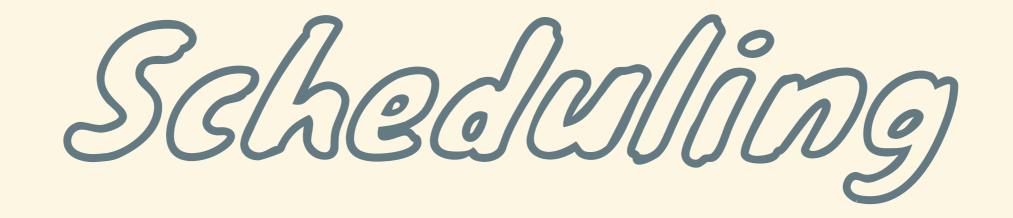

but

service providertt

Excellent

documentation

flpjck/flapjack

📄 LICENCE	4 years ago	added licence for the project [auxesis]
📄 README.md	3 months ago	Point documentation to official wiki [auxesis]
📄 Rakefile	3 months ago	implements gh-75 - can trigger test notifications from jabber [jessereynolds]
📄 config.ru	6 months ago	coordinator script starts OK [ali-graham]
📁 doc @ 1e2b87e	19 days ago	update doc ref [jessereynolds]
📄 flapjack.gemspec	16 days ago	fix blather to 0.8.1 due to issue with 0.8.2 [jessereynolds]

https://github.com/flpjck/flapjack/wiki

Using

Developing

Data Structures

Importing data

Debugging

We care about

documentation!

Bad documentation? BUG

Flapjack as **platform**

Plentiful **notification**

Multitenant from the ground up

Excellent **documentation**

Two features

alerting & notification rules

dampening

(rollup)

New focus

event

processing

Redis *backed*

Flapjack as *platform*

Plentiful **notification**

Multitenant from the ground up

Excellent **documentation**
